him up regarding his writing to BBC's Watchdog.

What these people are doing is FRAUD! They are obtaining money under false pretences which are criminal offences and are being condoned by the local authorities.

AND AGAIN...

My own experience with a parking ticket was almost the same as that of Roy Martin, right down to the excuse of the tax disk being obscured. The only difference was that my ticket was issued in Lombard Street. This type of fraud must be costing our Society thousands of pounds yearly because (and I do not blame them) when you do not have to go through the process of law, why bother? Perhaps the three main radio circuits (JRTA) could work together to help bring this practise to an end.

THANK YOU, CALL SIGN

I was delighted when Call Sign announced that I was one of the lucky winners of four free tickets to Chessington Zoo (**June Call Sign - winners could go at any time**). As it was my son's 10th birthday, this was an added bonus. My family and I travelled by train and we had a spectacular day. I would recommend anyone to go to Chessington as there is plenty to do for both children and adults alike. I would also like to thank one of the competition's winning drivers who gave me one of his spare tickets that he was unable to use.

Again, thank you Call Sign.

TAXI BANGER RACE AT ARENA ESSEX

If you enjoy banger racing and fancy seeing a few cabs get their come-uppance, then **FIRE-CRACKER VIII** may well be right up your street!
The race between 15 - 20 old taxi bangers, will be held at an end-of-season spectacular at Arena Essex on Sunday November 7th.
There has been a huge demand to ride these unlikely bangers and one will even be driven by a reporter from The Sun! A taxi charity will benefit from the event.
There is a full supporting programme. Details: 01708 867728.

STOP PRESS 1999 DAC / THE TIMES RECEPTIONIST OF THE YEAR

Following last year's extremely successful Dial-a-Cab and The Times sponsored competition for the City's Receptionist of the Year, the event will again take place this year with nomination forms being printed in The Times new-look Creme supplement on the 3rd, 10th and 17th of November.
Nomination forms will also be available in the DaC reception and drivers may well wish to vote for their Receptionist of the Year.
The closing date will be November 19th and the winner will be announced on December 8th.
The Times may seek some driver's comments and Call Sign's Emma Smith may well be contacting you.
Don't forget - your vote could make the difference...

Kupkake's Korner

He is irreverent, humourous and whatever else he chooses to be, but Kupkakes' comments are klearly always his own...

KUPKAKE LOVES THE BOM...!

Thank you B.o.M.
For changing E.14,
Yes, I complained last year,
But no, I never screamed.

I'm glad you saw the light,
With the problem of a scrub,
We knew it wasn't right,
And it really boiled my blood.

And the 77 attribute,
Once ironed-out will assist,
The tired driver to get home,
But there's one thing you may have

missed.

The time limit is really much too short,
What difference would it make?
As only one job will be offered,
Just one trip can we take.

Why sign us off completely,
When no ride was revealed,
That's my time wasted totally,
It's not a level field.

So may I make a suggestion?
Forget the 60 mins,
Let ME decide when I go home,
For he who waits should win.
